Rolo Joins Us

Rolo presents the Chilean flag.

The atmosphere at Maple Grove has had an added foreign touch this year. As a result of a reactivation of the American Field Service Program, Raphael Rolando del Rio Carrasco (known to students and friends as "Rolo") from Chile is spending his senior year at Maple Grove.

Rolo is residing with the Herman Johnson family at Sunnyside Avenue, Bemus Point. He was born on September 3, 1950 in Santiago, Chile, where his father, mother, two sisters, and two brothers are presently living.

Rolo came to Bemus Point on August 7 and is enjoying his stay. Formerly, he attended de Hombres No. 9, an all boys school and was required to take thirteen subjects. There Rolo gained recognition as a representative of the High School Student's Santiago Federation.

Rolo's hobbies include playing the right wing position in soccer (which he found helpful in playing football), driving motor scooters, and his love for music. He also likes American food.

Rolo says there are many nice people here but some tend to be much different than those you would find in Chile. He also is impressed with the teachers and the school's facilities.

His outgoing and friendly attitude has helped him make many friends. His extremely good manners and sense of politeness have been noticed by everyone, even to the extent of embarrassing some of the boys here.

The aims of the A.F.S. have been greatly aided by Rolo's stay. Better understanding between nations and a cultural exchange have proved to be successful endeavors.

It is certain that many will not soon forget Rolo and the warm friendships that have developed between them. He would like to extend his thanks to all those who made the trip possible.

Stalling for time!?!

The 1968 Red Dragons seemed to bristle with talent, speed, and experience. Coaches and players alike felt that this would indeed be the "Year of the Dragon." In the opening-game loss to Falconer, Maple Grove scored its first-ever points against the Falcons; but then followed two losses and a tie in Valley Conference play. The title hopes had slipped away, and injuries had sidelined key personnel.

The Dragon began to breathe fire! Shrugging off the dismal first half of the season, and with no hope of a championship, the team played like champions. On successive Saturdays they posted shut-outs over Frewsburg, Randolph, and Cassadaga Valley. The Big Red closed the season with its fourth consecutive win, trampling Forestville, and relinquishing only one score in four games.

The formidable defense boasted such stalwarts as senior Linebacker Rich Kraft and junior Tackle Jim Clauson, both of whom were selected to Valley Conference All-Star Squad. Gary Kennelley, M.G.'s spectacular senior Fullback, led the high-powered offense and earned a position on the All-Star Offense. Six Dragon athletes gained Honorable Mention: Split End Scott Lewellen and Guard Andy Lawrence, both juniors; Captain Mike Richner, Punter Joe Zingale, hard-running Tailback John Johnston, and high-scoring Tailback Glenn Macey, all seniors.

One highlight of the season was the soccer-style kicking of dependable Rolo del Rio, our welcome addition from Chile.

J.V.'s Strive to Improve Record

ROW 1: Doug Smith, Jim Hetzel, Jeff Carlson, Tom Casler, Steve Cook, Tim Gustafson, Doug Vanstrom, Brad Samuelson, Pat Tyler. **ROW 2:** Randy Bland, manager; Bob Winchester, Rick Bland, Dave Wood, Jed Kelderhouse, Dave Marinelli, Ryan Kelley, Don Aiken, Jim Hucklebery, Dan Seymour, manager. **ROW 3:** Mr. Bandley, coach; Rick Wight, Leslie Locker, Randy Swanson, Gary McCauley, Roy Holmes, Rick Johnson, Larry Dye, Mickey Mohny, Jeff Rotsko, manager.

This football season brought many injuries to the J.V. Dragons. Due to these injuries the Dragons closed out the season with a 1-4 record.

A few of the players who gave fine performances throughout the season were Don Aiken, Steve Cook, Tom Casler, Rick Wight, Doug Smith, and Dan Seymour.

The team, with a lot of work and a little luck, can go far in the coming year. We wish for the J.V. Dragons a winning season in the coming year and for many years in the future.

Cross Country Wins Section VI Trophy Again

ROW 1: Steve Br'Loage, manager; Gage Gottermeyer, Chris Smith, Chuck Loveless, Ed Korcyl, Bob Johnson, Tom Corrigan. **ROW 2:** Curt Miceli, Gary Dodge, Bill Allen, Jim Mayo, Don Norton, Elton Pickard, Greg Korcyl. **ROW 3:** Jerry Kelderhouse, Craig Lawergren, Mark Swanson, Steve Swanson, Alan Brown, Tom Dougherty, Daryl Braley, Mr. Lewellen, coach.

With 27 wins and 3 losses the 1968 Cross Country Dragons finished second in Chautauqua County in competition with eleven schools and finished first in the Section VI Class B competition for the second straight year.

The top nine finishers for this season were Ed Korcyl, Bob Johnson, Chuck Loveless, Chris Smith, Gage Gottermeyer, Tom Corrigan, Don Norton, and tied for eighth were Gary Dodge and Greg Korcyl. The first seven finishers in the Section VI meet were Bob Johnson, Chuck Loveless, Chris Smith, Gage Gottermeyer, Greg Korcyl, Tom Corrigan, and Ed Korcyl.

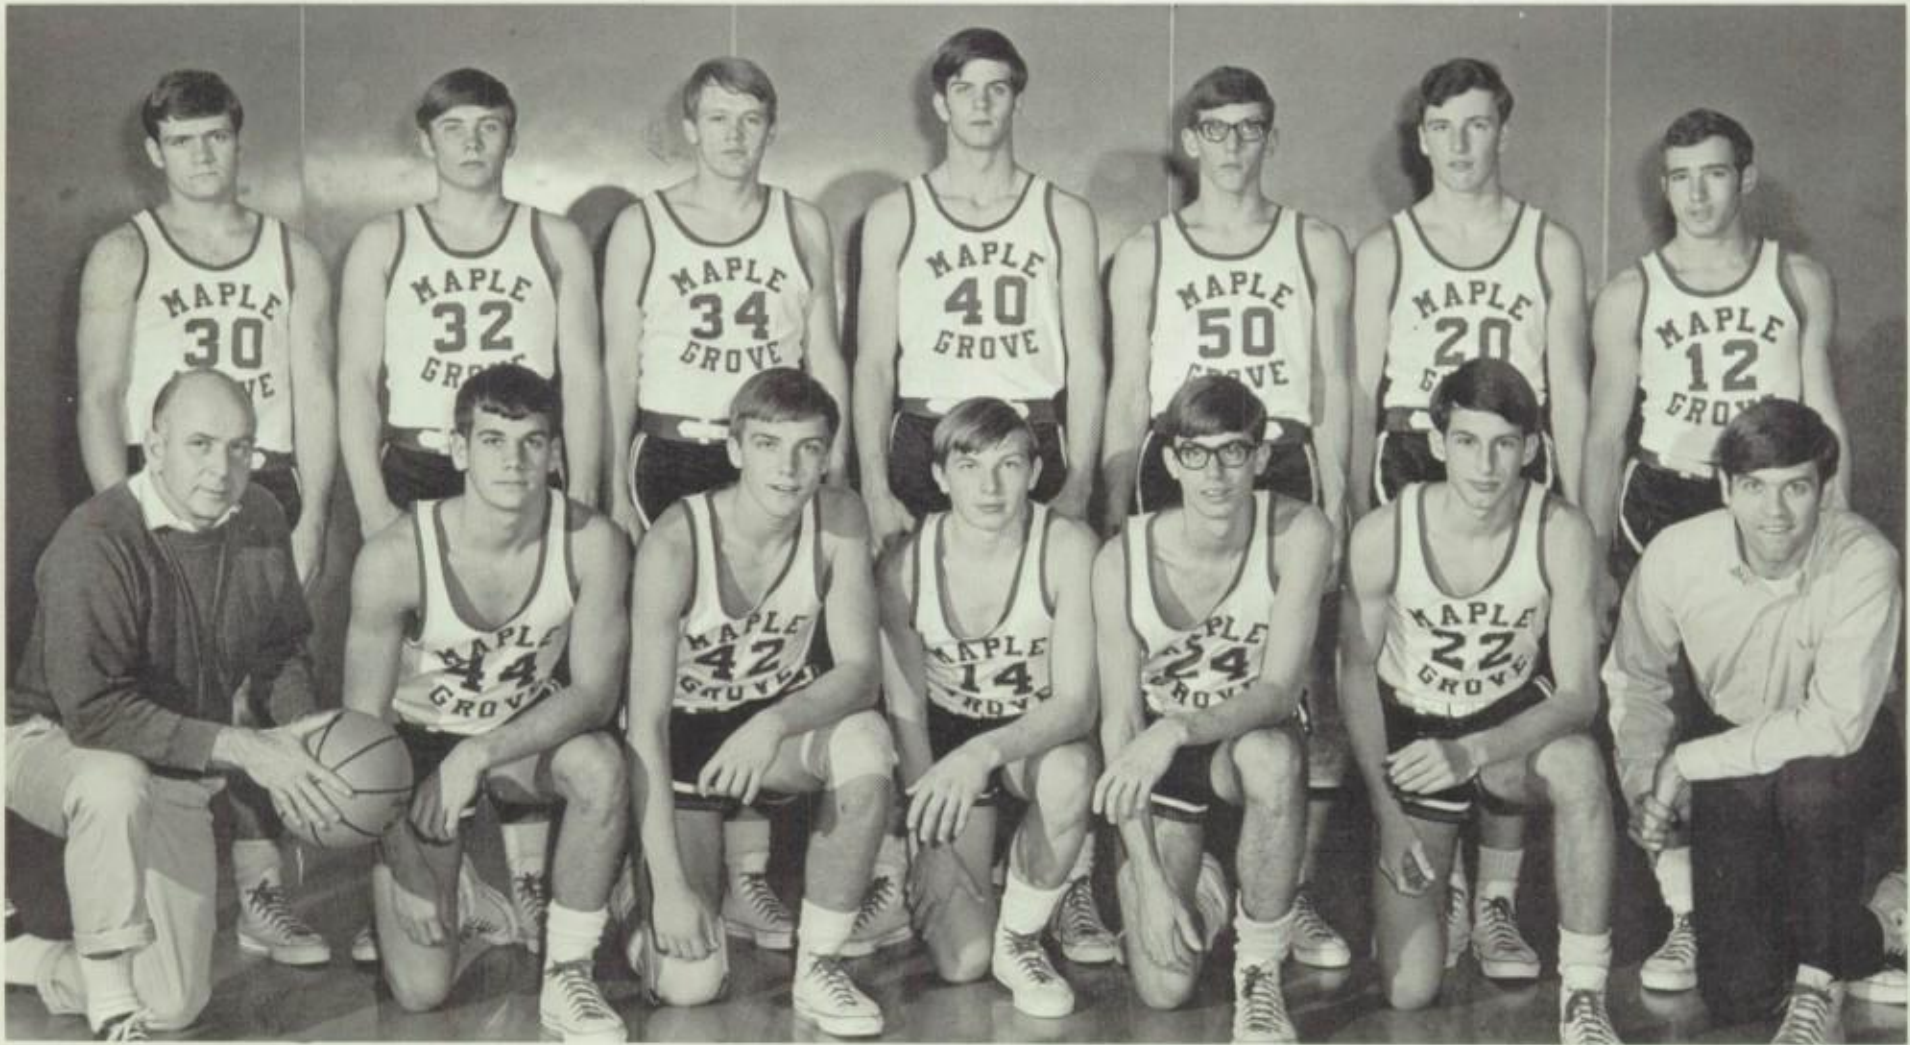

Now how'd that dance go?

Bob Johnson went to Long Island for the state finals and came in eighteenth out of the state's top 140 runners of equal qualifications.

The team did a fine job this season, and seeks your support in the coming years.

21-0: How Sweet It Is!!

ROW 1: Mr. Lewellen, Coach; Scott Lewellen, Jim Clauson, Steve Williams, Tom Corrigan, Chris Smith, Skip Carpenter, Manager.
ROW 2: Gary Kennelley, Butch Kraft, Tom Skillman, Greg Johnson, Joe Zingale, Rob Thompson, Ed Berns.

This year, for the second time in five years, the Red Dragons compiled a perfect record, 21-0. The flawless season came to an end on March 15 when the dynamic Dragons defeated a strong Portville team in Buffalo's Memorial Auditorium.

During the season, Coach Lewellen's team out-classed the opposition in every area except free throw percentages. Maple Grove had an average score of 67.3 points per game as compared to 49.1 points per game for the opposition. The top Dragon scorers were Tom Corrigan (342) and Chris Smith (315) while Jim Clauson (197) and Scott Lewellen (193) were pulling down the most rebounds.

Next season's Dragon team should be strong also. Along with the many returning Juniors from the varsity team, Coach Lewellen can look forward to some promising players coming up from Coach Miceli's fine J.V. team.

21-0? Let's do it again next year!! We're all behind you, Dragons.

"I've got his arms, you take his legs!"

The J.V. Basketball team had a great season losing only six out of their eighteen games. They lost three out of their first six games and then lost three of the last twelve played.

The highlight of the season was the triple overtime victory over Westfield to avenge an earlier defeat. Leading the team in scoring were Doug Smith and Gary Carr who averaged sixteen points per game. Doug Smith had twenty-six points against Cassadaga and Southwestern for the season's high point count, with good board strength and all-round rebounding by Randy Swanson. With Steve Pembridge and Gary Carr the team showed plenty of hustle and spirit. Even though certain boys were singled out, Mr. Miceli wants to credit the winning season to a team effort. "The boys acted as a team, played as a team, showed an eagerness to learn and made coaching an easy chore," says Mr. Miceli. With a fine crop of freshmen in reserve, Coach Miceli is already anticipating next year's season.

There she goes!

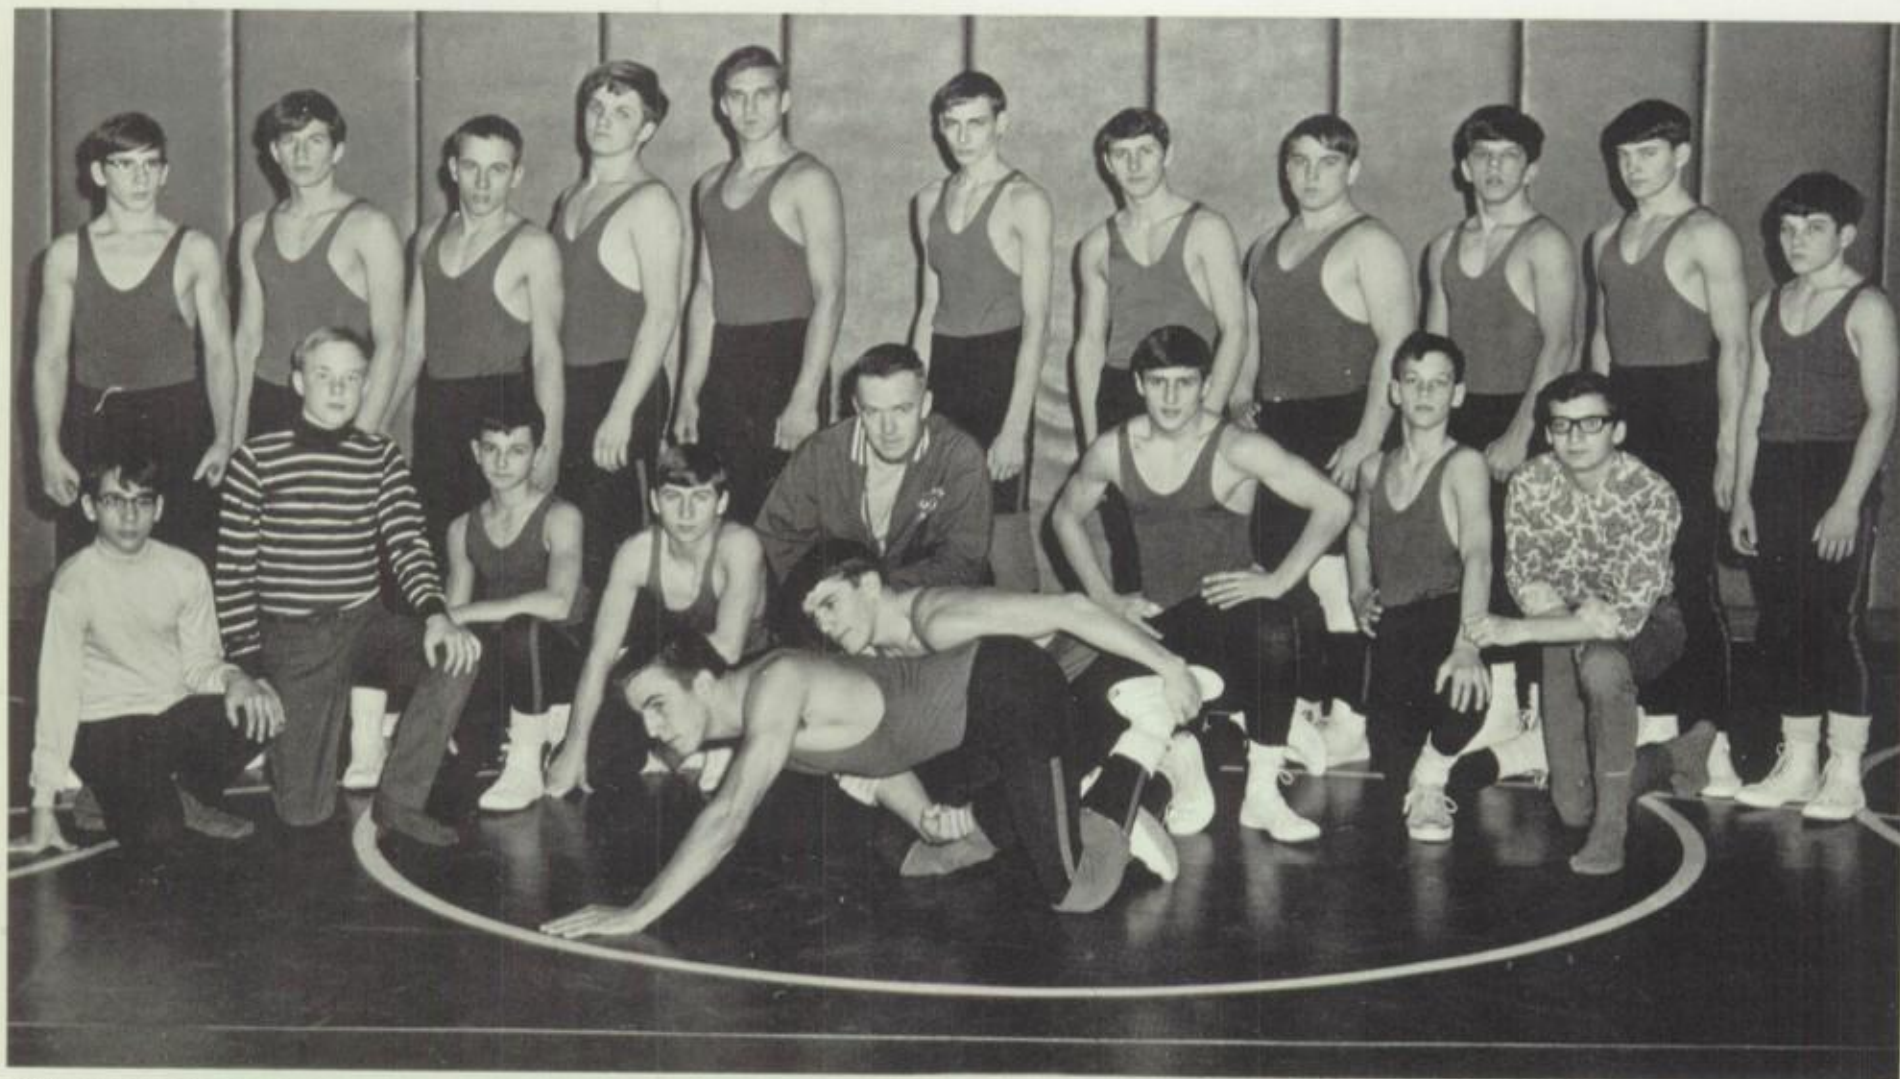

This year the mini-dragons weren't as successful as other years due to the fact that they had a lack of experience. The reason for a record of two wins and eight losses was probably because most of the team members were seventh graders or those new at the game.

The basic idea of having a Junior High Basketball Team is to teach the fundamentals of basketball and sportsmanlike attitude. These two things help prepare them for J.V. and Varsity Basketball. Mr. Correll is looking forward to next year with a fair group of seventh graders, and of course the remaining players.

I wonder if we play!?!

This year the mighty matmen again finished ninth out of eleven schools in the Holiday Tournament. John Johnston took second place with Mike Richner in third and Dave Wood in fourth in their weight classes. In the Class "B" Sectionals, Dave Marinelli and Chuck Loveless placed third and Curt Miceli placed fourth in their weights.

Due to the loss of many of last year's wrestlers, the team consisted of many new members. The lack of experience combined with the tough competition were the causes for the three win—eight loss season. The experience gained by the team this year will undoubtedly help them to a better season next year.

Not again, John!

No John, not the Ref!!

Baseball Has Winning Season

ROW 1: Will West; manager. **ROW 2:** Don Nelson, Stan Putney, Tom Skillman, Paul Opperman, Steve Williams. **ROW 3:** Butch Kraft, Mike Woodfield, Mr. Crandall, coach; Gary Carr, Scott Lewellen. **ROW 4:** Tom Corrigan, Dave Champ, Gary Kennelly, Mark Kovel, Terry Lodico.

The 1968 Baseball season proved to be an exceptionally good one. The team, with an undefeated record of 8 wins and 0 losses, showed Coach Crandall exactly how skilled they were. The team's batting average was .340. Paul Opperman, only two years in the game, proved to be an outstanding pitcher with a record of 4-0. Four of the team's members who hit home runs were: Dave Champ and Gary Kennelly with two, and Mark Kovel and Steve Williams, each with one.

The team played in the County Playoff, but lost to Silver Creek.

Mr. Crandall and his ball-playing Dragons deserve warm congratulations and we all hope they do even better next year.

This past spring the Maple Grove track team displayed their skills as track men. They did considerably better than last year with a record of 17 wins and 1 loss. Along with winning many of the meets, new records were set in the following: Discus, Scott Swanson; Low and High Hurdles, Glenn Macey; High Jump, Chuck Loveless; Two Mile, Ed Korcyl; Pole Vault, Dick Nolan; and the Mile Medley, John Johnston, Skip Carpenter, Terry Austin, and Chuck Loveless.

This year Maple Grove placed second in the County Class "B" meet and third in the Section VI meet. Congratulations go to the members of this outstanding team, and to Coach John Correll and Assistant Coach Tom Everett.

By a "stroke" of luck and competent skills, the golf team of '68, under the coaching of Mr. James Lucey, placed third in the entire Class "B" sectionals. The members "teed off" in fine form to make an outstanding showing in a very competitive tournament. Allegany won with a score of 322, Randolph came in second with a 324, and Maple Grove tallied up with a very close score of 325.

The team's final record was 10 wins and only 2 losses. The Red and White's "on the green" have certainly demonstrated tremendous potential and by using their "long drive" could go far!

Tennis Team Betters Record

ROW 1: Mr. Chamberlin, coach; Joe Urbanik, Brad Samuelson, Jeff Rotsko, Mike Mattocks. **ROW 2:** Jim Hetzel, Greg Zuroski, Jerry Kelderhouse, Todd Swanson, Chuck Abrahamson, Steve Pembrige.

The 1968 Tennis Team of Maple Grove gained valuable experience this year and promises to be back next year with seasoned "racketeers." The team, under Mr. Chamberlin's careful training, included Greg Zuroski, a '68 Senior who will not be returning, four juniors, one sophomore, and four freshmen.

By a close score of 3-2, Westfield captured the play-off game for the Chautauqua County Class "B" Championship. The play-off match and three regular season matches were all 3-2 losses which could very easily have been in Maple Grove's favor.

The team deserves a big "hand" for their sportsmanship. We wish them the best of luck!

Behind the Scenes

As the 1969 POINTER gradually changed from technical and artistic ideas into the reality that you now hold in your hands, it is evident that many shared in the responsibilities. Our usual vote of thanks goes to Mr. Everson and to our new business advisor, Mrs. Roberts. To all the personnel of the school system, we extend our gratitude.

To the administration and faculty for their cooperation and understanding of the time-consuming tasks that are a part of creating the yearbook, we express our heartfelt thanks.

To the secretaries, librarians, and counselors; we are grateful for your assistance.

To the cafeteria, custodial, and transportation personnel for their cooperation, especially to the bus drivers for transporting the staff to their homes; our appreciation and thanks go to all of you.

To John Carlstrom and the Berthold Studios for their help in creating the excellent photographs for the yearbook, a particular vote of thanks from all of us.

To all the advertisers, business firms and individuals, we would like to express our appreciation for your continuing support.

Everyone of these behind-the-scenes individuals has contributed in some important way to the final publication of the POINTER. And we must express our gratitude for the understanding and cooperation of Inter-Collegiate Press, Inc. and to Jack Coy, our yearbook representative. And in passing, we might mention the efforts of the POINTER staff, who have given of their time and talents so unselfishly.

Now to you, the readers, we can only hope that you enjoy your new POINTER. You'll probably react with surprise, pleasure, pride and perhaps, embarrassment as you look through the pages and recognize some captured moments and see the sports, activities and pictures that are a part of Maple Grove. We hope it will invoke a nostalgic feeling in this year's seniors as they take it off the shelf years later and remember their days at Maple Grove.

We have tried to convey in the 1969 POINTER the school spirit and sense of participation and giving that is so much a part of our school. With the POINTER in your hands, it remains for you, the reader, to determine our success.
